

Summer School

June 8-11, 2017
Hotel International
Prague, Czech Republic

Programme

Course directors

Radu Tutuian (Switzerland)
Tomica Milosavljevic (Serbia)
Jean-François Dufour (Switzerland)

Faculty

Alex Inchbald (France)
Christoph Dietrich (Germany)
Sabine Roman (France)
Roberto Penagini (Italy)
Krisztina Gecse (Hungary)
Janneke van der Woude (The Netherlands)
Aleksandra Sokić Milutinović (Serbia)
Uwe Seitz (Germany)
Björn Rembacken (United Kingdom)
Jayan Mannath (United Kingdom)
Martin Gerbert (Switzerland)
Tarik Asselah (France)
Davor Štimac (Croatia)
Adrian Saftoiu (Romania)
Hakan Senturk (Turkey)
Lucio Petruzzello (Italy)
Thomas Bernatik (Germany)
Christian Kielisch (Germany)
Martin Kliment (Czech Republic)
John Jacob (United Kingdom)
Eric Tjwa (The Netherlands)
Jeffrey Schouten (Belgium)
Henriette Heinrich (Germany)
Chella Van der Post (The Netherlands)
Nikki Knjin (The Netherlands)
Jessica Biesiekierski (Belgium)

THURSDAY, June 8, 2017

Arrival and introduction

10:00-16:00

Arrival and registration

16:00-18:00

Meet and greet the faculty

18:00-18:10

Introductory remarks

Radu Tutuian

Opening lectures

18:10-18:50

How to perform in a gastroenterology team

Alex Incbald

18:50-19:30

Sonography: key examination for gastroenterologists and hepatologists

Christoph Dietrich

FRIDAY, June 9, 2017

08:30-10:30

Session 1: Gastro-Oesophageal reflux disease

Case presentation & interactive discussion:

Differential diagnosis, diagnostic and staging modalities

Working up & managing reflux symptoms and complications

Chair: Radu Tutuian

Expert: Roberto Penagini

Lead discussant: Sabine Roman

Case presenter: Sandra Capraru

10:30-11:00

Coffee break

11:00-13:00

Session 2: IBD / Small Bowel

Case presentation & discussion:

Small bowel Crohn's disease: diagnosis and follow-up

Treatment with biologicals: when to start, how to optimise?

Chair: Krisztina Gecse

Expert: Janneke van der Woude

Lead discussant: Aleksandra Sokić Milutinović

Case presenter: Anne Strik

13:00-14:00

Lunch break

14:00-15:45 & 16:15-18:00

Parallel sessions: Practical skills training

• **Endoscopy I – Lower GI**

Jayan Mannath, Radu Tutuian

• **Endoscopy II – Upper GI**

Björn Rembacken

• **Endoscopy III – Endoscopy with a colonoscopy simulator**

Lucio Petruzzello

• **Capsule endoscopy**

Uwe Seitz

• **Ultrasound I – Abdominal ultrasound in gastroenterology**

Thomas Bernatik, Christian Kielisch

• **Ultrasound II – Endoscopic ultrasound in gastroenterology**

Martin Kliment

• **Ph metry and motility studies**

Roberto Penagini

• **How to perform liver biopsy & elastography**

Eric Tjwa, Jeoffrey Schouten

• **The role of a GI physiology unit**

Henriette Heinrich

• **Histology of dysplasia**

Chella Van der Post, Nikki Knjin

• **Dietary advice in FGID**

Jessica Biesiekierski

15:45-16:15

Coffee break

SATURDAY, June 10, 2017

08:30-10:30

Session 3: Colon Polyps

Case presentation & discussion:

Clinical introduction to colorectal polyps

An overview of Polyp resection

Chair: Uwe Seitz

Expert: Björn Rembacken

Lead discussant: Jayan Mannath

Case presenter: Ruxandra Carteleanu

10:30-11:00

Coffee break

11:00-13:00

Session 4: Viral Hepatitis

Case presentation & interactive discussion:

Differential diagnosis, diagnostic and staging modalities, management of the patient with Viral Hepatitis

Chair: Jean-François Dufour

Expert: Tarik Asselah

Lead discussant: Davor Štimac

Case presenter: Martin Gerbert

13:00-14:00

Lunch break

14:00-15:45 & 16:15-18:00

Parallel sessions: Practical skills training

• **Endoscopy I – Lower GI**

Jayan Mannath, Radu Tutuian

• **Endoscopy II – Upper GI**

Björn Rembacken

• **Endoscopy III – Endoscopy with a colonoscopy simulator**

Lucio Petruzzello

• **Capsule endoscopy**

Uwe Seitz

• **Ultrasound I – Abdominal ultrasound in gastroenterology**

Thomas Bernatik, Christian Kielisch

• **Ultrasound II – Endoscopic ultrasound in gastroenterology**

Martin Kliment

- **Ph metry and motility studies**

Roberto Penagini

- **How to perform liver biopsy & elastography**

Eric Tjwa, Jeoffrey Schouten

- **The role of a GI physiology unit**

Henriette Heinrich

- **Histology of dysplasia**

Chella Van der Post, Nikki Knjin

- **Dietary advice in FGID**

Jessica Biesiekierski

15:45-16:15

Coffee break

SUNDAY, June 11, 2017

09:30-11:30

Session 5: Pancreatitis

Case presentation & multidisciplinary discussion:

A patient suffering from acute pancreatitis

Differential diagnosis, diagnostic and staging modalities,
management of the patient

Complications in acute pancreatitis

Chair: Tomica Milosavljevic

Expert: Adrian Saftoiu

Lead discussant: Hakan Senturk

Case presenter: Dusan Popovic

11:30-11:45

Coffee break

Closing lecture

11:45-12:15

The most relevant clinical publications

Jean-François Dufour: liver biliary

Aleksandra Sokić Milutinović: tubular GI tract

Lucio Petruzzello: endoscopy

12:15-12:30

Closing remarks

12:30

Lunch
